

Maritime Safety Queensland
Table of approved BoatSafe Training Organisations.
Last updated 17 May 2012

Please Note:

The organisations and providers listed here do not represent the complete list of approved organisations and their providers. Some organisations and providers have requested that their details not be shown on this web page. Please contact Maritime Safety Queensland for further information

Organisations are listed in alphabetical order. Maritime Safety Queensland does not endorse any rating or ranking system for the services provided by these organisations.

Click on the links below to obtain the contact details for the BoatSafe training organisation and their associated BoatSafe training providers.
