

Recreational Ship Registration Application

Transport Operations (Marine Safety) Act 1994

Office Use Only	Registration effective from ____/____/____	Registration number
-----------------	---	---------------------

Please note

- A fee is payable with this application.
- It is in your interest to ensure ship identifiers are taken from the ship (not paperwork or previous registration).
- All ships including hovercrafts with a motor of 3kw (over 4hp) and over must be registered.
- Capacity labels must be displayed on **all** registrable recreational vessels except sailing vessels (powered or otherwise).
- The owner/master is responsible for attaching the capacity label to the boat before it enters the water.
- The owner/master of the personal watercraft (PWC) must ensure a Ride Smart sticker is displayed.
- It is an offence to operate a PWC without a Ride Smart sticker displayed.
- The owner/master of a ship must not operate a ship unless the ship is safe. A ship is safe if it is seaworthy and is appropriately equipped and crewed, to meet the ordinary perils of the voyage on which the ship is proceeding or about to proceed.
- An Australian Builders Plate is required on ships built and offered for sale after 28 September 2006.

You will also need ...

- Personal Identification e.g. Queensland Driver Licence **or**
- Suitable Business/Company/Organisation identification. Refer to the separate Evidence of Identity Information Sheet (F4362) or www.transport.qld.gov.au for requirements.
- Proof of origin of the ship (this may be a Bill of Sale; Certificate of Registration; receipt from an auction; beneficiary of estate; etc.) if Queensland Transport has no record of previous registration.
- Gas Certificate - if applicable.
- Ships over 15m in length must complete an Application for New or Transfer of Ownership or Change of particulars of Recreational Ships 15 metres in length and over (F4367) and have it stamped by Marine Safety Queensland prior to registration.
