Applicant's checklist (Note 15)

This checklist is designed to assist the applicant in determining the prerequisite documentation which needs to be obtained prior to preparing an application for registration of a commercial or fishing ship.

(i) This application is accompanied by:

- (a) Positive Floatation Statement and Statement of suitability PF No.; or
- (b) Certificate of Compliance for the Building or Surveying for the whole of ship; or
- (c) Design Approval Certificate no.; or
- (d) Standard Production vessel - a design approval certificate for a ship of the same make and model Certificate No.

(ii) Does the ship have a Fixed Fire Smothering System?

No

Yes Obtain a *Form F1587 Machinery Space Fixed Fire Smothering Installation/Inspection Statement* and attach a copy to this application.

(iii) Does the ship have any electrical installations?

No

Yes An LV installation, and/or;
an ELV installation in with distributed power in excess of 1000 W (does not include starter motors).
Then include certificates of compliance for design and survey, supported by an electrical inspection statement (F1588) as necessary.
ELV (extra low voltage) is up to 50 V a.c. or 120 V d.c.
LV (low voltage) is from ELV to 1000 V a.c. or 1500 V d.c.

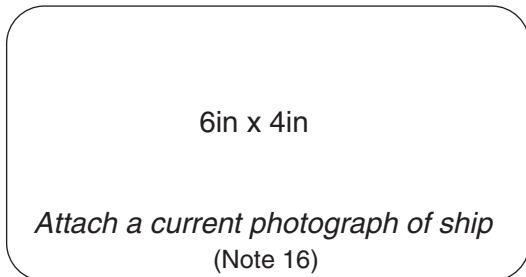

(iv) Does the ship have any L.P.G. gas installations? (Stove, refrigerant, fuel etc)

No

Yes Obtain a current Gas Certificate, valid for 12 months, and record all the details listed below.

Gas Certificate Number _____ Gas Installer No. _____ Date issued ___ / ___ / ___

Further information may be required for L.P.G. fuelled ships. Please contact your local MSQ regional office

The Department of Transport and Main Roads collects information on this form under the *Transport Operations (Marine Safety) Act 1994* to manage the Queensland commercial ship registers. This information is accessible by authorised departmental officers, Queensland Boating and Fisheries Patrol officers and the Queensland Police Service. Information about commercial ship authority holders may also be disclosed to ship insurers, statutory entities, lawyers, insolvency entities, persons involved in ship accidents/incidents, and to or through interstate maritime authorities. The Department of Transport and Main Roads will not disclose your personal details to any other third parties without your consent or unless required by law.

Commercial Ship less than 6 metres Registration Application continued page 4 of 4

Notes:

1. This form is to be used when applying for commercial ship registration for either a new ship, or an existing ship for which its registration has been expired for more than 6 months.
2. This form is not to be used when applying for a Certificate of Survey - use *F3428 Commercial/Fishing Ship application for Certificate of Survey*.
3. All boxes on the form marked are to be completed prior to lodging application.
4. **Owner details**
Please complete all the relevant boxes applicable to each and every owner of the ship. Information to be provided includes both postal and residential addresses and telephone contact numbers. Attach a detailed list if insufficient space.
5. **DMS File no.**
This is the file number allocated by Maritime Safety Queensland if it is known please record.
6. **Agent details**
Complete this section if the ship is operated by an agent eg. Charter Yachts, or where multiple owners are involved in the ownership of the ship, this should show primary contact for all correspondence from the department.
7. **Ship details**
If this ship has previously been commercially registered in Queensland, please provide its previous Queensland registration number.
8. **Queensland Port of operation**
The name of the Queensland port from which the ship predominantly operates.
9. **Purpose of use**
Describes the activity that the owner is using the ship for, eg. charter fishing, commercial fishing, passenger ferrying, diving, hire, charter, skiing, paraflaying etc.
10. **Classes**
Uniform Shipping Laws (USL) Code or National Standard for Commercial Vessels (NSCV) Classes are required on the registration certificate. These may be obtained from the certificates of compliance. For class 1F, please state whether for SW, PSW or beyond PSW.
11. **Type of ship**
Please select one of the following ship types by its design characteristics, eg. tender, yacht, dive charter, dinghy, paraflyer etc.
12. **Hull Identification/Serial number**
The manufacturer's identification or serial number; or, if the vessel is constructed of fibreglass reinforced plastic, the hull identification as issued by Maritime Safety Queensland or other recognised Survey Authority is to be shown.
13. **Length**
The measured length, breadth and depth are as defined by the USL Code or the NSCV. This information can be found on the certificate of compliance.
14. **Engine details**
Details are required for all propulsion engines on the ship. Do not include auxiliary engines used for generators, winches etc. Indicate the position of each engine, eg. port, starboard or centre, and the type of fuel used for the propulsion engines eg. diesel, petrol, 2-stroke, L.P.G. etc.
15. **Applicants details**
Read through the check list to ensure that all required documents have been obtained. Copies of Certificates of Compliances may have already been received by the Department and the Certificate numbers should be recorded in the spaces provided. A copy of all other documents indicated is required to be submitted with this application.
16. **Photo**
Please attach a recent colour photo of the ship showing the profile section of the ship in its present configuration. The photo should be approximately 150mm by 100mm (6" x 4")
17. **Evidence of identity requirements**
You must give evidence of your identity at the time of making this application. If you do not have a **Queensland driver licence** (current or expired less than 2 years), you must show at least **three (3)** evidence of identity documents. These documents must include at least one **Category A** and at least one **Category B** document. The third document may be from either category, however, one of these documents must include your signature. If you have changed your name or the details of your name are different on the documents provided, you **must** provide evidence of the name change from the relevant Registrar of Births, Deaths and Marriages.

Each document must be an original document.

Evidence of identity documents include:

Category A

- Australian Birth Certificate (full)
- Australian Passport (current or expired less than 2 years)
- Foreign Passport (current or expired less than 2 years)
- Queensland Card 18+ (issued after 01/01/92)
- Australian Citizenship or Naturalisation Certificate
- Australian photo driver licence (current or expired less than 2 years)

Category B

- Medicare card
- Financial institution debit/credit card (must include signature and embossed name)
- Education institution student identity document (must include photo and signature)
- Department of Veteran's Affairs/Centrelink Pensioner Concession card
