In addition to the fixed onshore pump out facilities listed, there are also other licensed trade waste companies that can be contacted to pump out and dispose of ship-sourced sewage waste. These include companies such as

- All Liquid Waste                      0416 066 262
- Cleanaway                                131 339
- Wanless Waste Corporation        07 3875 9000
- Zappaway                                07 3489 5600
- Suttons Cleaning Service            07 5447 6477

Local governments can also advise of local organisations who are approved trade waste contractors.
