‘How to’ use this guide
Use this Beacon to Beacon Guide with the ‘How to’ and legend booklet available from www.msq.qld.gov.au
Always keep a proper lookout when boating.

Look up and live for power and cable crossings that may not be shown on these maps due to scale or recent construction.

CAUTION: depth contours have not been re-surveyed in most areas since the 2011 and 2013 floods.

Exercise care when travelling outside suggested navigation tracks.
