For a full description of these limits, refer to
Schedule 7 (Partially smooth waters),
Schedule 8 (Smooth waters) and
Schedule 9 (Dictionary) and Part 2 (EPIRB).

**Smooth waters** (as described in Schedule 9) means the waters-
- of rivers, creeks, streams and lakes; or
- within breakwaters or revetments; or
- described in Schedule 7 that are within 0.5 nautical mile from land; or
- described in Schedule 8.

**Partially smooth waters** means the waters-
- described in Schedule 7, other than waters within 0.5 nautical mile from land.

TOWNSVILLE
Partially smooth and smooth waters
